Movements

In comfort and relaxation

A new collection
of recliners & suites

True comfort is al

Bringing comfort through motion

Welcome to Celebrity's new movement in total comfort. It's our commitment to offer one of the widest choice of recliners, matching settees and all-action suites in the UK. Every piece of upholstery is manufactured in our own 108,000 square foot factory, using the traditional skills of local craftsmen and premium fabrics and leather.

New super-soft fabrics and suites

Our new 'Contempo' collection of 'super-soft, double-tumbled' fabric offers a range of contemporary designs and colours, all selected to withstand the rigours of use in motion furniture.

A new movement in comfort

Nobody understands the secret of comfort and relaxation like Celebrity; it's all about finding the right sitting position, in a chair that reclines, rises and adjusts to an almost infinite variety of positions. It's also about finding a chair that is just the right size. With a Celebrity recliner, you can choose from up to five sizes and unlike other recliners, the seat height, along with the width and depth are adjusted, to guarantee a perfect sitting position.

All Celebrity recliners are available in a choice of actions and our Lift/Tilt actions allow easy

'walk-in, walk-out' access, all at the touch of a button using our new, advanced handset. Celebrity's movement in total comfort also means peace of mind, with all motors, actions and frames covered by our five-year guarantee.

Low Contempo luxury fabrics

New recliner/settee designs

Advanced dual motor action

The beauty of comfort is in choo

Celebrity was the first to introduce the tailored-to-fit concept in the UK, recognising that we are all different sizes and require a recliner where the seat height, width and depth is adjusted to suit every person.

Woburn in 5 sizes

Westbury in 4 sizes

sing the right size

Tailored-to-fit recliners are available in up to five sizes, from our Petite model to our big, luxurious Grande, able to lift up to 25 stone with ease. This means customers can choose a recliner that exactly meets their needs.

Regent in 3 sizes

Grande, Standard, Petite

A fast movement in delivery

Our ten most popular recliners (below) are all available on our Zip Speed express delivery service in a choice of over 70 fabrics or 28 fine British leather hides.

Additionally for those customers who can't wait to match their recliner with a complete suite, our popular Woburn range offers a matching fixed chair, fixed 2 and 3 seat settees, in fabric, all delivered in a matter of a few weeks.

The traditional way to relax

Sumptuous, supportive, triple pillow back cushions and a choice of real wood 'grab' handles make the Westbury a traditional, yet comfortable recliner. Available in four sizes, Grande, Standard, Petite and Low Seat Height, Westbury offers effortless relaxation with either finger touch manual or electrically powered operations.

To complete the offer, each recliner can be complemented with a choice of fixed chair and a fixed two or three seat settee.

fort

A classic design

Our most popular recliner with a deep buttoned back and supportive scroll arms, the Woburn is available in five sizes.

The four most popular sizes are available in both fabric and leather and available on our Zip Speed delivery.

A perfect match

The Woburn collection includes a choice of two and three seat, all-action and fixed settees, together with a fixed chair, all carefully matched to make the perfect suite. For those who want a more traditional design, the Woburn is also available as a legged fireside chair, in two sizes, with a matching two-seat settee.

The Woburn 'fireside' chairs and settees have Queen Anne style real wood legs and are available in either natural, teak or mahogany shades.

Regent collection

All action motion in up to five

Added comfort

The Regent features a 'softer-sit' springing system in the seats, to add that extra touch of luxury and comfort. The recliner is available in three tailored-to-fit sizes; Petite, Standard and Grande - all in a choice of manual or powered actions, including Single and Dual Motor Lift/Tilt operations. All three recliner sizes can be ordered on Zip Speed express delivery in both fabric and leather.

Freedom of action

The Regent Collection also includes matching two and three seat settees, in a choice of fixed or all-action options, plus a fixed chair, to make the perfect suite.

A classic in movement

Comfortable and classic, the Grosvenor adds a new dimension to comfort with its 'softer-sit' springing system and choice of two recliner sizes, Petite and Standard, with both available in manual or powered options. But the choice doesn't end there; the range also includes matching two and three seat settees, as either fixed or all-action models, plus a co-ordinated fixed chair to complete the picture.

Beautiful upholstery in fabric and leather

With a huge choice of fabrics and fine British leather, you will be spoilt for choice: the quality of our superb fabrics is second to none and our quality leather is supplied from one of Britain's finest manufacturers, Yarwood of Leeds.

The new Hertford Suite

An inspired movement in contem

A new suite for today's lifestyle

Hertford features a contemporary sleek back and square arm design, with a 'softer-sit' springing system for added comfort. The range is available as a standard size recliner, in all five actions, matching fixed chair and a choice of two or three seat fixed and action settees. In summary Hertford offers the ultimate in action flexibility and modern comfortable design.

ation

Contemporary, elegant and simple, the Portland features a 'softer-sit' spring system, with a three tier, scalloped back that is designed to mould to the shape of the body, giving maximum support and comfort. The Portland range is available as a standard size recliner, in all five actions and the choice of either a two or three seat fixed or action settee. The range is completed with a matching fixed chair.

Lift your mood with a contemporary look

Our new range of Contempo chenille fabrics enhance the simple design lines of the Portland. Manufactured specifically for use with motion furniture, the Contempo range is both super-soft and tough. It is available in a range of six subtle designs all offered in a choice of contemporary colours.

Celebrity has chosen to source its upholstery leather from right here in the UK. It was important that we chose a range of quality, durable and hardwearing hides that reflects the care and attention to detail that goes into every recliner and settee. With this in mind, we chose Yarwood of Leeds, a specialist in the manufacture of premier quality leather.

Celebrity's chosen collection includes both single and two-tone finishes in a range of contemporary and traditional hide finishes. To help customers understand the differences in the varying grades of leather we have formulated three categories: Corrected Hide, Semi-Natural Hide and Natural Hide.

YARWOOD
Leather

Introducing three leather descriptions

Corrected Hide

This is where the hide is given the most treatment during the production process, including the application of uniform embossing and colouring.
(Camden and Style hides)

Semi-Natural Hide

Although a degree of embossing is used, some of the original marking and colouring of the hide is retained, as is it's natural softness. This means that some colour variation on the leather is to be expected and adds to the look of quality.
(Antique and Cambridge hides)

Natural Hide

Here, only a minimum of embossing has been applied, leaving a soft, natural feel with more of the grain and colour variation left on the surface. Over time this colouring will mellow and increase the visual appeal of the hide as it matures and patinates.
(Capri and Hammersmith hides)

Leaders in innov

All-action, low seat height recliners - designed for our smaller customers

Celebrity has developed a riser/recliner with an even lower seat height than our popular Petite models. Available in two designs, Woburn and Westbury, these models are 1.5 inches lower than the Petite size, but for extra comfort, we have made the seat width 1.5 inches wider.

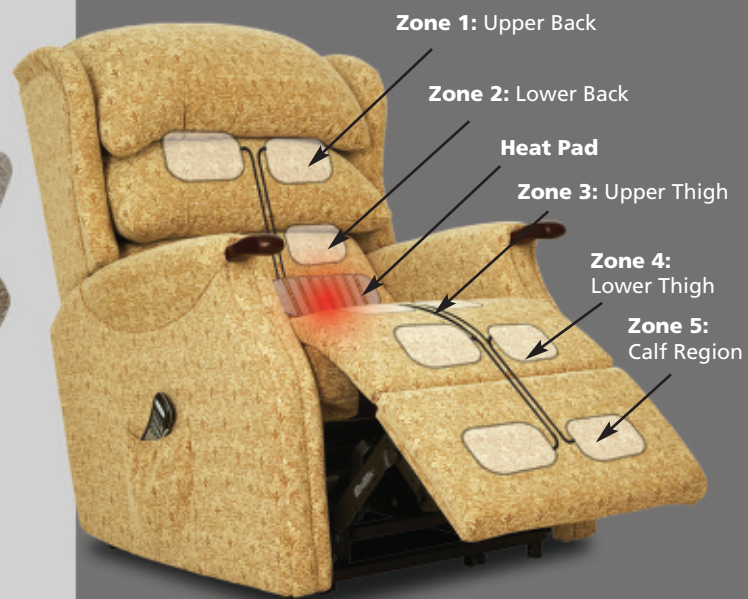

This action operates slightly differently to the rest of our range and offers the benefit of retaining the original sitting position when reclined.

Massage system

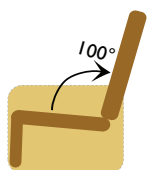

Our new 10 motor massage system incorporates a colour LCD display making it easy to understand and control the operation of the system.

Massage benefits

- Manual selection of five separate massage areas.
- Three pre-set programmes.
- WAVE function for a full top to toe massage.
- Heat pad offers gentle warmth to lower back.

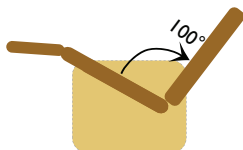

Please note that anyone with a medical device (e.g. pacemaker) or medical condition must consult with their doctor/healthcare professional before purchasing a massage system.

Seated Position

The simultaneous rotation of seat and back retains the position of the back & legs 'cradling' the user as the chair reclines.

Full Recline

The body weight is evenly supported across all the chair surfaces from top to toe.

Zero Gravity Neutral Position Dual Motor

Feet are in line with or above the heart, placing your body in the Neutral or Zero Gravity position.

Matching footstools

available in all our swatch fabrics and leathers.

Finger-tip control

Control of your recliner is now even easier. For single motor recliners, you can choose either an integrated button system built into the chair, or our easy to use 3 button handset, featuring a single reset button. Dual motor recliners feature our new 5 button, illuminated handset, again with a single reset button.

Wall hugger action

Manual recliners can be positioned up to 50mm (c2.5") from the wall and still recline perfectly.

Recliner Glides

Our easy to fit glides offer an alternative to castors to help reduce movement on hard floor surfaces.

Accessories

Enhance that comfort experience with our range of cushions, arm protectors, chair back protectors and neck pillows, all designed specifically for Celebrity recliners and settees.

Save by ordering our Accessory Pack. Consists of a pair of arm covers/protectors, lumbar cushion and a chair back protector.

Safety first

At Celebrity, we believe in putting safety first. Every recliner is factory tested and approved before delivery. A host of safety features including sprung loaded footrests, quick release handsets and battery reset are offered as standard.

- **Quick release handset:** ensures there is no unauthorised use of the recliner e.g. by children. Detaching the handset renders the chair inoperable.
- **Sprung loaded footrest:** reduces the risk of accidental entrapment under the footrest.
- **Emergency double battery reset:** allows one emergency operation of the chair. Returns chair to REST position.
- **LED power indicator:** lights instantly to show that power is reaching the chair.

Rechargeable Battery Pack

For each riser/recliner we offer a rechargeable battery back up system that will allow you use of your chair in event of a power failure. Please note that there is an additional cost for this feature and that performance will vary according to user weight

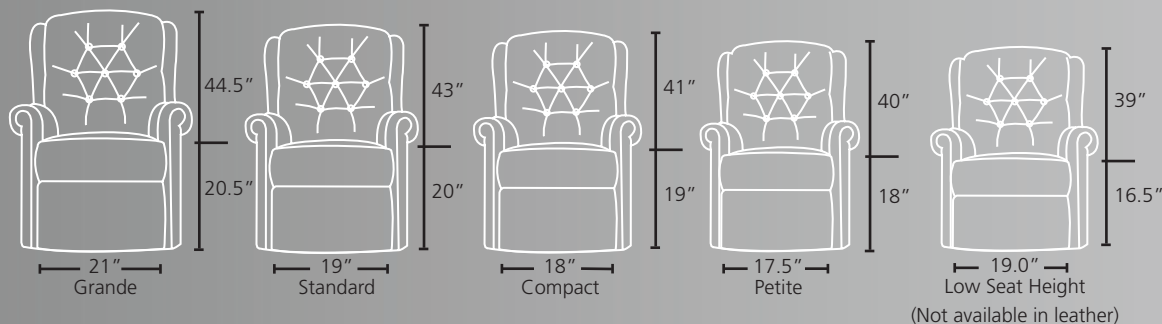

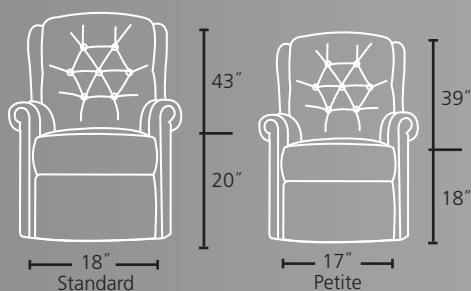

Tailored-to-Fit with changing seat heights

'Tailored-to-fit' recliners and chairs allow you to choose your perfect size for extra support and comfort, from our Grande recliners, capable of lifting up to 25 stone in weight, to our new Low Seat Height riser recliners, designed specifically for the smaller customer.
